2021 Housing Experience Survey

Start of Block: Instructions

**QTCL What is the Housing Experience Survey?**
Each Spring semester, all students who live on campus are invited to take the Housing Experience Survey to provide feedback that will help us improve the student experience. The questions on the survey will cover topics such as: · Your experience living in campus housing and how much you feel like you belong. · The helpfulness of Housing and Residence Education Staff and programs. · The activities you’ve participated in and the benefits you’ve experienced living on campus. · Your use of and satisfaction with campus safety, dining, facilities, parking, and technology resources.

**Accessibility**
You will need to login using your UCM NetID and password. The survey can be taken using a desktop or laptop computer, iPad or other tablet device. Due to the format of the questions, taking the survey on a smartphone is not recommended. The survey will be available between February, 8th, 2021 and February 19th, 2021. Please email or call Andrea Hall-Cuccia (ahallcuccia@ucmerced.edu; 209-228-2341) for assistance with survey access problems.

**Study Procedure**
If you agree to participate, you should be able to complete the survey online in approximately 10-15 minutes. The design of the study requires that we also obtain background information about you from official campus records such as your major, gender, race/ethnicity, residence hall, and year in school.

**Voluntary Participation**
Participation in this survey is entirely voluntary. Your decision whether or not to participate in the survey will not affect your grades or your relationship with UC Merced or benefits to which you may otherwise be entitled. You may choose to withdraw at any time without penalty. You may also choose not to answer particular questions.

**Benefits**
While there may not be any direct benefit to you from participating, the Housing Experience Survey gives on-campus residential students an opportunity to comment on their experience at UC Merced, which can help us evaluate and improve the residential and campus life experience.

**Prizes**
As an appreciation for your time and as an incentive for participation, Housing Experience Survey completers will be automatically entered into daily drawings for $25 Amazon e-gift
cards. Twelve winners will be selected and notified by February 22nd, 2021. The earlier you complete the survey the more chances you’ll have to win! Winners will be notified via their UC Merced email address about how to claim their prize. You will be automatically entered into the drawing for prizes if you submit the survey. If you want to be entered into the drawings without submitting the survey, please email Andrea Hall-Cuccia (ahallcuccia@ucmerced.edu) by February 19th, 2021.

Protecting your privacy
Any personally identifiable information that is obtained in connection with this study will be stored on a secured server and remain confidential. Please be assured that your responses will be used for research purposes only and will be strictly confidential. Any information that is obtained in connection with this study and that can be identified with you will remain confidential and will be disclosed only with your permission or as required by law. The information you provide will be combined with responses from other students and reported as summary statistics only. Any quotations from responses to open ended questions used in public reporting will be reviewed to ensure that your identity cannot be ascertained.

Please keep in mind that University policy requires all reports of sexual harassment and sexual violence against students to be forwarded to the title IX office - http://dsvp.ucmerced.edu/report. Students who disclose that they experienced sexual harassment or sexual violence while enrolled as a student may be contacted by the Title IX Office with information about reporting options and support services available to them.

Please note that the responses to the survey may not be reviewed immediately. If any of your responses concern matters in need of immediate action or disclose dangerous situations, you should immediately report those matters to the appropriate authorities. If you need immediate assistance, please contact Counseling and Psychological Services (CAPS) at http://counseling.ucmerced.edu/; the Campus Advocacy, Resources, and Education (CARE) office at https://care.ucmerced.edu/; or the Dean of Students Office at https://studentaffairs.ucmerced.edu/dean-students.
