

2022 UCM Undergraduate Alumni Journey Survey

Start of Block: CoverPage

Q1 What is the UC Merced Undergraduate Alumni Journey Survey?

The UC Merced Undergraduate Alumni Journey survey is an online survey administered every other summer to graduates who received a baccalaureate degree and who are 1, 3, and 5 years post-graduation. The survey asks about several topics, including:

- Your current contact information and how you like to receive news about UC Merced;
- Your current employment and other education you pursued, including how well UC Merced prepared you;
- Your engagement in volunteer and outreach activities; and
- Your interest in being engaged with the campus as an alum (e.g., helping enrich the student experience)

Voluntary Participation

Your participation is voluntary. Your decision to participate will not affect your relationship with the University of California or benefits to which you may otherwise be entitled. You may withdraw from the survey at any time or skip questions that you do not wish to answer.

Accessibility

If you are using screen reading software (e.g., JAWS), please use table navigation. You are also encouraged to email or call UC Merced Accessibility Services – access@ucmerced.edu or 209-228-6996 - for confidential assistance. We recommend that you use a computer/laptop or tablet device to take the survey. The questions may not be displayed properly on a phone. The survey will be available between May 31st to August 21st, 2022. We recommend that you try to complete the survey in one sitting – depending on your browser settings, your responses may not be saved should you to exit and try finish the survey later.

Study Procedure

If you agree to participate, you should be able to complete the survey in 10-15 minutes.

Prizes

In appreciation for your time and as an incentive for taking the survey, we will give away 40 \$25 Amazon e-gift cards – a total of \$1,000 - and 20 UC Merced branded t-shirts and hats. Survey completers will be entered into bi-weekly gift card drawings, so the earlier you complete the survey the more chances you'll have to win! The exact odds of winning a prize are unknown, as this is influenced by the number of people who complete and submit a survey. However, the approximate odds of winning any prize based on past response rates and the number of

available prizes is 1/20. UC Merced Alumni Relations will notify winners about how to claim their prize at the email address they used to take the survey.

To enter the prize drawings without completing the survey, you must email Cinnamon Danube (cdanube@ucmerced.edu). This email must be received by August 21st, 2022 to be entered in the final drawing.

Benefits

While there may not be any direct benefit to you from participating, the survey gives graduates an opportunity to comment on the quality of the education they received, student services, and other aspects of their undergraduate experience that help the University evaluate and improve undergraduate programs and services. This information can also help us understand how best to contact, engage, and support our alumni.

Protecting your Privacy

Your personal information, limited to your name and email address, is used strictly for sending survey invitation and reminder messages. Such information is only accessible by survey administration staff. After the survey is closed, your name and contact information will not be connected to your survey responses unless otherwise indicated in the survey and unless we have your consent. Your student ID will be used to match survey responses against other data such as, but not limited to, your demographics, enrollment records, graduation data, applicant data, and post-baccalaureate data. This data is used for analysis and reporting.

Please be assured that your responses will be kept confidential and the results of the study will be reported only as aggregate (group level) data. Any identifiable information that is obtained in connection with this study will remain confidential. When this information is stored on third party secure platforms and secure file transfer suppliers, confidentiality will be maintained and your privacy protected according to the University of California privacy and security policies. This information will only be disclosed when required by law. There are areas in the survey that will ask you whether it is okay to share survey responses and identifying information with appropriate campus offices (e.g., Alumni Relations, the Center for Career and Professional Advancement, Admissions). This information will not be shared in a way that could identify you unless you indicate that we have your permission to do so. All data used in public reporting, including quotations from open-ended responses, will be reviewed to ensure that your identity cannot be ascertained unless you give us permission to identify you. Information will be retained in compliance with UC's Record Retention Schedule <https://recordsretention.ucop.edu/>.

With appropriate Institutional Review Board (IRB) approval, the data may also be used in anonymized form for academic research.

Please keep in mind that University policy requires all reports of sexual harassment and sexual violence against students to be forwarded to the title IX office - <http://dsvp.ucmerced.edu/report>. Those who disclose that they experienced sexual harassment or sexual violence while students may be contacted by the Title IX office with information about reporting options and support

services available to them. Please note that the responses to the survey may not be reviewed immediately. If any of your responses concern matters in need of immediate action or disclose dangerous situations, you should immediately report those matters to the appropriate authorities.

Asking Questions and Reporting Concerns

If you have any questions about this study or how responses will be used, please contact Cinnamon Danube at cdanube@ucmerced.edu or 209-228-6982.
