#### General Information

Does your institution post the Student-Right-to-Know student athlete graduation rates on a website?

No.

Yes. Please provide the URL.

http://

http://www.ucmerced.e

Based on your institution's response to the predominant calendar system question (B3) on the Institutional

Characteristics Header survey from the IPEDS Fall 2013 Data Collection, your institution must report graduation rates data using a

#### Fall Cohort

*A fall cohort is used by institutions with standard academic terms (semester, trimester, quarter, 4-1-4). A full-year cohort is used by institutions offering primarily occupational/vocational programs and operating on a continuous basis.*

 You may use the space below to provide context for the data you've reported above. These context notes will be posted on the College Navigator website, and should be written to be understood by students and parents.

UC Merced uses the IPEDS methodology to establish cohorts for tracking and reporting purposes. First-Time freshmen or transfer students who are enrolled in 12 or more units their first semester are designated as being in that year's cohort. Students stay in their cohorts regardless of enrollment behavior after the first semester, i.e. a student in the cohort who enrolled in fewer than 12 units their second semester would continue to be included in the cohort.

**Section I - Graduation Rate - Establishing cohorts**

**Establishing cohorts**

NOTE: Reporting using the new race categories is now mandatory. On this screen you will need to revise your preloaded 2007 cohort to the new race/ethnicity categories. For information and assistance with this, please visit the IPEDS Race/Ethnicity Information Center.

- Incoming students who are seeking a bachelor's degree should be reported in Column 02. Column 03 will then be generated for you. It is meant to include any full-time, first-time entering students who are seeking an associate's degree or undergraduate certificate.
- If you have no changes to the preloaded data on this screen, you must click the "Save and Next" button to generate screens to report completers and transfers.

### Section II - Graduation Rate - Bachelor's completers by length of time to degree

The students who attained a bachelor's degree or equivalent as reported on the previous page are listed in Column 18. In Column 19, report the number of bachelor's degree seekers who earned a bachelor's degree in 4 years. In Column 20, the number of bachelor's degree seekers who earned a bachelor's degree in 5 years. Column 21 will be calculated for you.

### Section II - Graduation Rate - Transfers/exclusions

•In the columns below, report the status of the BACHELOR'S DEGREE-SEEKING STUDENTS reported in the subcohort in Column 10, who did not complete a program as of 150% of normal time to completion.

- Report transfers-out who did not complete a program in Column 30. If the mission of your institution includes providing substantial preparation for students to enroll in another eligible institution WITHOUT having completed their programs, you must report transfer-out data in Column 30. A school is required to report only on those students that the school knows have transferred to another school. A school must document that the student actually transferred. If it is not part of your mission, you may report transfer-out data if you wish.

- Report exclusions from the cohort in Column 45. The ONLY allowable categories for this column are:

- students who died or became permanently disabled
- students who left school to serve in the armed forces (or have been called up to active duty)
- students who left school to serve with a foreign aid service of the Federal Government
- students who left school to serve on an official church mission

- Column 52 [No longer enrolled] will be calculated for you. This includes students who have dropped out or who completed in greater than 150% of normal time.

- If you do not have any values to enter in either Columns 30, 45, or 51, you must enter at least one zero in a field on this screen
