Housing and Residence Life Services Survey 2018

Start of Block: Instructions

QT1 Housing and Residence Life invites your perceptions of residential facilities, programs, and services to improve and upgrade the quality of your residential living experience. Student feedback will lead to changes and shape the direction of the services provided. Examples include changes to the hours, menus, and flex options of the residential dining program; improvements to student service; policy changes; and upgrades to residential technology support. We appreciate your thoughtful participation.

Please complete the survey by Sunday, February 18, 2017. Contact Cinnamon Danube (cdanube@ucmerced.edu) if you have any technical issues while trying to complete the survey or Martin Reed (mreed9@ucmerced.edu) if you have other questions about the survey or how the results will be shared.

Q37 Heritage Apartment residents, please note that any question that refers to your “residence hall” or “on campus” is intended to refer to your place of campus sponsored residence, the Heritage Apartments.
