

**2020 Graduating Senior Survey Report—Transfer Students**

**Prepared by Institutional Research and Decision Support**

**Last Updated: May 27, 2020**

**Response Rate:** Of the 1605 students invited to complete the survey, 674 (42%) provided partial or complete responses. Of the invited students, 188 entered UC Merced as transfer students (non-frosh students) and 70 (37%) of those students responded. Because students could skip questions, response rates varied by question.

**Administration:** The survey was available for seniors to complete between April 6 and May 8, 2020. As an incentive, respondents were entering into drawings to receive 35 \$25 Amazon e-gift cards. Students could complete the survey by clicking their individualized link in personalized emails or by using an anonymous link that required authentication. Survey publicity and outreach was coordinated across multiple groups on campus: IRDS, Student Affairs, assessment managers, faculty, academic advisors, and others.

**Respondent Characteristics:** Please refer to Tables 1-4 below for respondent characteristics, including information about the representativeness of the sample relative to the invited population. The sample was roughly representative of the invitee population, and subgroup response rates were similar to the overall response rate of 42%, with few exceptions. Entering frosh were more likely to complete the survey than transfer students. Social Sciences, Humanities, and Arts majors were more likely to complete the survey than Engineering or Natural Sciences majors. This may be due to increased promotional efforts by Social Sciences, Humanities, and Arts. Women were more likely to take the survey than men, which is common in survey research. Other differences in response rates are likely due to small sample sizes for particular groups.

**Report Notes:** Unless otherwise noted, all students could answer each question on the survey. Students could choose to skip questions. Students were invited to take the survey if they had been awarded a degree or applied to receive a degree as of the 15th day of instruction in spring 2020. It is possible that some students completing the survey did not graduate, though all were seniors and responses still aid understanding of the experience of students close to graduation.

**Transfer respondents:** This report has been filtered to contain only survey responses from students who entered UC Merced as Transfer students (non-Frosh), though Tables 1-4 and free response summaries contain information about all respondents regardless of entering level status.

If you have questions about this report, please contact Andrea Hall-Cuccia (ahallcuccia@ucmerced.edu) in Institutional Research and Decision Support.

I needed fewer than 15 units to complete my degree requirements in my final semester.	21
Other (please specify)	14
I only needed 12 units for Financial Aid.	5
I intentionally wanted a smaller course load.	4
The courses I needed or wanted conflicted with each other.	1
There were no open seats in the section(s) I needed.	4
I have credits (e.g., AP/IB, community college, other 4-year institution etc.) transferring to my UC Merced record.	2
The course(s) I wanted wasn't offered this term.	2
I planned to work 20 hours or more per week and needed a smaller course load.	2
I had family obligations and needed a smaller course load.	2
I didn't know which other course to take.	1
Someone suggested that I take 12 units.	2
The course(s) I wanted this term was cancelled.	1

Actually, I'm taking 22 units this semester. 20 units to complete my double major and minor. 2 units for research.  
Disability Services need extra time  
Had an incomplete to work on.  
I am currently enrolled in 16 units (38)  
I am enrolled in 15 units this semester (4)  
I am enrolled in 16 for Spring and 12 for Summer.  
I am enrolled in 17 units this semester (5)  
I am enrolled in 18 units this term. (8)  
I am enrolled in 20 units (7)  
i am enrolled in 4 classes but had to add the last class late since the registration page was done on my day to register and  
I am enrolled in more but this is not counting the graduate course I am currently taking  
I am enrolled in more than 15 units (4)  
I am taking capstone which I have heard requires a lot of time.  
I did not to overload myself with classes and end up failing rather than passing.  
I dropped the fourth class I was taking because the professor was unprofessional and made unnecessary comments.  
I ended up dropping oneof my course  
i one need a couple more classes to graduate  
I planned on taking four classes this semester but one of the class was extremely problematic, unengaging, repetitive, and  
I studied abroad last semester and I was waiting for my courses to transfer  
I usually take 20 units but decided to take 16 units this semester to have an easy final semester. But also, I don't even know  
each.  
I wanted to take another GASP internship course, to prepare me for when I graduate  
I was not permitted to enroll in an additional course (Petition of Excess Units Override was sadly denied)  
I was suppose to have a job  
In order to qualify for financial aid in the summer at UC Merced, I needed to take 12 units.  
in UCEAP program  
Independent Study Research  
My advisors denied my request to remove ESS 001 from my catalog year.  
Only need physio after  
Taking research units as well
